Huni network around Brussels

Interested in drones & strategy

- Answer to our interested in innovation & new technologies
- Propose an alternative mobility for urban areas
- Improve the quality of care
- Deliver vital products in a fast and safe way (blood bags, lab samples, antidotes...)
- Pool stocks in a single place
- Meet the challenge of hospital networks (decentralisation)

Timeline Helicus collaboration

2019

2022
